

Purchase Instructions

Please make sure that the bottom of this tank bag can fit well with the fuel tank of your motorcycle before purchasing, so as to avoid the tank bag falling off due to unstable installation during the riding process, and the property loss caused by this should be borne by the consumers themselves. If you have any questions about purchase and use, please contact the dealer to answer.

Vintage design, fashionable and classic

Vintage Tank Bag

Magnetic quick release, strong magnetic adsorption

Designed for iron fuel tank magnetic fixed, quick pick and place.

Please make sure that the bottom of the tank bag have been unfolded and tightly fitted with the fuel tank before riding.

Silicone anti-slip, firm fit

The non-slip silicone design on the bottom of the tank bag helps to reduce the displacement caused by vibration during riding.

Independent rainproof storage pocket

Waterproof coating + waterproof tape to prevent rainwater from seeping in.

Product Details

Subtle design to make the journey more convenient.

1 Storage space design

Storage pocket: can put ID, keys, etc.

2 Data cable charging hole
